Mr. W. W. Barber, Jr.  
Headmaster  
Saint Mark's School  
Southborough, Massachusetts

Dear Bill:

Many thanks for your letter of January 30th  
in regard to [redacted]

He did come to Washington the latter part of  
December and was personally interviewed by several  
of our Placement people. At that time there were no  
openings commensurate with his qualifications. How-  
ever, for your own personal information, we are now  
bringing in for employment a few young men who wish  
to make the Central Intelligence Agency their career.  
I have therefore requested the person in charge of  
this program to get in touch with [redacted] to see  
if there are any current vacancies in which he might  
be used.

With best personal regards,

Very sincerely,

*J. Edgar Hoover*
